

PRESS RELEASE

DIGITAL VALUE ANNOUNCES THE AWARDING OF NEW TENDERS AND EXTENSION OF CONTRACTS AS A RESULT OF THE GROWTH DECREE.

The Group's key role in the country's Digital Transformation process continues through contracts for workstation management in the Public Administration.

Rome, June 7, 2022 - **Digital Value**, a Company at the head of a Group that operates in Italy in the ICT solutions and services sector and listed on the Euronext Growth Milan market (Ticker DGV), announces that, through its Smart Workplace Transformation division, and in accordance with the Growth Decree issued by the Prime Minister to encourage the broader digitization of the PA, has obtained:

- The contractual extension to 12/31/2022 of 90.000 low-impact workstations and related services worth 46 million euros, potentially billable during 2022, which are in addition to the 180.000 workstations worth 92 million euros contracted in 2021 and currently being supplied

He also reports that he has received:

- The non-effective final award of 135.000 low-impact workstations and related services worth €79.3 million plus possible contract extensions lasting 12 + 6 months, to be invoiced from 2023;
- The contractualization, with some of Italy's most significant public administrations, of 27.000 mobile workstations and related services worth 20 million euros, with supply starting in July 2022 for the next 6 months.

With these contracts, **the Smart Workplace Transformation business line reaches the management of more than 500,000 workstations throughout the country**, confirming Digital Value's position as a technology leader in the country's digital transition process in the ICT Infrastructure and Managed Services market.

Massimo Rossi, President of Digital Value, says *“L’innovazione tecnologica passa anche attraverso l’efficientamento di sistemi e processi individuali, per il lavoro in ambiente office o smart working. In questo grave momento di emergenza e crisi internazionale restano confermati il commitment e la focalizzazione di Digital Value sull’innovazione della PA: attraverso i nostri professionisti lavoriamo per dare concretezza al Piano Nazionale di Ripresa e Resilienza consapevoli di poter fare ancora una volta la differenza con le competenze, necessarie a sostenere un piano di sviluppo così poderoso”*.

Digital Value SpA

Digital Value S.p.A., with offices in Rome and Milan and operating throughout the national territory, is the parent company of a Group including Italy's leading operators in the ICT services and solutions sector, with consolidated profits of €558 million and over 300 employees (source: consolidated financial statements of 31 December 2021). The Group works in the research, design, development and sales of ICT services and solutions for the digitalization of large account clients working in strategic sectors of the country's economy - Telecommunications, Transport, Utilities, Finance, Industry and Public Administration - which represents the driving segment of the ICT market (over 50% of total national demand). The result of its significant constant growth, Digital Value embodies a unique range of specialist skills, providing complete coverage of all technological innovation requirements in key market segments. The Group's success is the result of the unique combination of skills, know-how and the specialization of its human resources, as well as its acknowledged ability to plan, implement and manage innovative design solutions that are functional to the digitalization needs of its clients.

Digital Value has been listed on the Euronext Growth Milan market since November 2018.
