Digital Value SpA

Digital Value S.p.A., with offices in Rome and Milan and operating throughout the national territory, is the parent company of a Group including Italy's leading operators in the ICT services and solutions sector, with consolidated profits of €558 million and over 300 employees (source: consolidated financial statements of 31 December 2021). The Group works in the research, design, development and sales of ICT services and solutions for the digitalization of large account clients working in strategic sectors of the country's economy - Telecommunications, Transport, Utilities, Finance, Industry and Public Administration - which represents the driving segment of the ICT market (over 50% of total national demand). The result of its significant constant growth, Digital Value embodies a unique range of specialist skills, providing complete coverage of all technological innovation requirements in key market segments. The Group's success is the result of the unique combination of skills, know-how and the specialization of its human resources, as well as its acknowledged ability to plan, implement and manage innovative design solutions that are functional to the digitalization needs of its clients.

Digital Value has been listed on the Euronext Growth Milan market since November 2018.
