

PRESS RELEASE

DIGITAL VALUE WINS STRATEGIC CONTRACT FOR PUBLIC ADMINISTRATION ON THE CLOUD.

Technology and expertise to support the “Three-year Plan for Information Technology in the Public Administration”

Rome, 31 May 2023 - Digital Value S.p.A. (DGV Ticker), a leading operator in Italy in the ICT infrastructure sector and a Euronext Tech Leaders company, announces that a well-known public body has granted the effective final adjudication of a Strategic Contract for Cloud Oracle SaaS-PaaS Services and specialist support, with a value of approximately €8 million, to its subsidiary Italware, in RT with the company Eurolink.

With a duration of 36 months, renewable for a further 12 months, the agreement aims to promote the modernisation of infrastructures and, as a priority, the migration to the Cloud of the back office applications of the entity's Instrumental Area, currently operating on an on-premise Oracle platform.

For the client this contract represents one of the most important steps in support of the “Journey to Cloud” strategy, promoted as part of the “Three-year Plan for IT in the Public Administration”.

Massimo Rossi, Digital Value's Chairman and Chief Executive Officer, commented: *“This contract is further encouraging evidence of the power of synergies and of the value that alliances based on complementary skills can bring to the market. It also represents further confirmation of the excitement in the Cloud & Digital Business Transformation area in which Digital Value has the ability to capitalise on opportunities, competitive positioning and distinctive character in terms of know-how and offer model”.*

Digital Value S.p.A

Digital Value S.p.A., with headquarters in Rome and operating throughout the national territory, heads a Group that includes Italy's leading operators in the ICT services and solutions sector, with consolidated revenues of €708.5 million and over 400 employees (source: consolidated financial statements of 31 December 2022). The Group works in the research, design, development and sales of ICT services and solutions for the digitalisation of large account clients working in strategic sectors of the country's economy - Telecommunications, Transport, Utilities, Finance, Industry and Public Administration - which represent the driving segment of the ICT market. As a result of its significant constant growth, Digital Value embodies a unique range of specialised skills, providing complete coverage of all technological innovation requirements in key market segments.

The Group's success is the result of the unique combination of skills, know-how and the specialisation of its human resources, as well as its acknowledged ability to plan, implement and manage innovative design solutions that are functional to the digitalisation needs of its clients.

Digital Value has been listed on the Euronext Growth Milan market since November 2023.
