

Marino Marin

Born in Italy. Italian and U.S. citizen.

Marino Marin is the Founder and Managing Principal of MC Square Group, a Greenwich, Connecticut-based private investment firm focused on direct co-investments and strategic advisory services. Mr. Marin has over 34 years of experience as a principal investor and investment banker across North America, Latin America, and Europe, having held senior leadership positions with several international financial institutions. Throughout his career, he has invested alongside private equity sponsors and strategic investors while advising corporations, private equity firms, family offices, and institutional investors on mergers and acquisitions, capital raising, restructurings, and other complex strategic transactions across a broad range of industries. He has also served as a member of the Board of Directors of several U.S. and Italian companies, both publicly listed and privately held, providing strategic guidance on corporate governance, risk management, growth initiatives, acquisitions, and value creation including serving as Chair of key board committees. He is a FINRA-registered Principal (Series 7, 24, 63, and 99) and a Certified Public Accountant (Dottore Commercialista). Mr. Marin received his degree in Economics and Business Administration from Università Commerciale Luigi Bocconi in Milan.
